

# Jesus the Light of the World

John 8:12

**John 3:18-21**

What is it about the darkness? It hides what we do... it hides what we are...

The path to wholeness is to bring what we expose it to His light

**John 11:9-10** – If you follow Him, you have the light of life

**Proverbs 14:12** – Follow Jesus and you will not stumble, follow what seems right to you and you will end up stumbling –

**Psalms 106:13** – They did not wait for His counsel

**Exodus 40:36-38** – Follow and move with the light

**John 8:12** – Jesus is our Light!
